Hayden Theater is committed to the education of the whole person, an education that fosters emotional, social, and spiritual growth within the context of a Catholic culture, through the theatrical expression of wisdom and truth, shaped by a communal spirit, and directed toward the transcendent destiny of each student.

Our students have represented Hayden High School at the International Thespian Festival six straight years and have attended the Kansas State Thespian Festival every year for the past 11 years, participating in workshops and learning from their peers.

Eighty-five percent of the funding for all Hayden Theater productions and activities comes from ticket sales and fundraisers. In the past several years, we have used this money to upgrade lighting and sound equipment, purchase tools for the shop and chairs for the Black Box Theater, as well as to help reduce the cost for students attending the state and international festivals.

PRAYER TO ST. GENESIUS

St. Genesius, through your acting you came to discover
the truth of the Christian faith. Pray for those who dedicate
their lives to the theatrical arts. Like you may they find the
presence of the Lord in their work and generously open
their hearts to his teaching, living it in the midst of the
challenges and demands of their calling. Amen.
